MEMORANDUM FOR THE RECORD

SUBJECT: Provision of Inventories of Internal and External Research to Defense as Agreed in the SSRG

NIS Reports:

25X1A [] agreed to place the Cairns-Wetter office on direct dissemination of NIS reports. No annotation is required inasmuch as the standard NIS Outline provides a description of the NIS elements.

OIR Research Listings:

Mr. Childs, State/ERS agreed to arrange with IAD for direct dissemination of OIR listings to the Cairns-Wetter office.

ERS External Research Inventories:

The Cairns-Wetter office is already on direct dissemination for these publications.

SEC Inventories:

25X1A [] advised me that SEC would be able to directly disseminate the inventories to the Cairns-Wetter office provided a request was submitted by R & D through the Joint Staff member to the SEC. This request has now been sent by Wetter through the channels indicated.

EIC Inventories:

25X1A [] have cleared telephonically with the EIC members the direct dissemination of the EIC inventories.

Wetter has been advised that the above inventories will be directly disseminated to the Cairns-Wetter offices.
